Statement of unaudited financial results for the quarter and nine months period ended December 31, 2024 (All amounts in ₹ crore, except per share data and when otherwise stated)

Notes :

- 1 The Statement of unaudited financial results for the quarter and nine months period ended December 31, 2024 ("the Statement") has been reviewed by the Audit Committee and approved by the Board of Directors of GMR Hyderabad International Airport Limited ("the Company") at their respective meetings held on January 24, 2025. The Joint Statutory Auditors have carried out review on the aforesaid Statement of the Company".
- 2 The Statement has been prepared in accordance with recognition and massurement principles laid down in applicable Indian Accounting Standard 34, Interim Financial Reporting (Ind AS 34') prescribed under section 133 of the Companies Act, 2013 ('the Act'), read with the Companies (Indian Accounting Standards), Rules, 2015, and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended).
- 3 Based on the "management approach" as defined in Ind AS 108-Operating Segments, the Chief Operating Decision Maker ("CODM") has carried out evaluation of the Company's performance at an overall group level as one reportable operating segment i.e. 'Airport and allied services'.
- 4 GHIAL had filed an appeal, chellenging the disallowance of pre-control period losses and foreign exchange loss on external commercial borrowings, classification of revenues from ground hendling, cargo and fuel farm {"CGF") as aeronautical revenues and other issues for determinetion of aeronautical tariff for the First Control Period ("FCP") commencing from April 01, 2011 to March 31, 2016 by Alrport Economic Regulatory Authority ("AERA").

In relation to determination of tariff for the Second Control Period ("SCP"), commencing from April 01, 2016 to March 31, 2021, AERA had issued a consultation paper on November 19, 2017. However, as the aforesaid consultation paper does not address the issues arising out of the FCP, including true up for shortfall of receipt vis-a-vis entitlement for the FCP, GHIAL had filed a writ petition and obtained a stay order from the Hon'tibe High Court at Hyderabad in the month of February 2018 in respect of further proceedings in determination of tariff order for the SCP. The Adjudicating Authority, Telecom Disputes Sattlement Appellete Tribunal (TDSAT), in its disposal order dated March 04, 2020 has directed AERA to reconsider the issues afresh while determining the aeroneutical tariff for the Third Control Period commencing ("TCP") from April 01, 2021.

During the month of August 2021, AERA has issued Tariff Order ("the Order") effective from October 01, 2021 for the TCP commencing from April 01, 2021 to March 31, 2026. GHIAL in the month of September 2021, has filed an appeal against the Order with TDSAT, as the management is of the view that AERA has not considered the outstanding issues of FCP and SCP In determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated March 04, 2020, while continuing to charge the aeronautical tariff as determined by AERA.

During the previous yeer ended Merch 31, 2024, TDSAT has pronounced the Judgement and has adjudiceted vericus issues raised by GHIAL including directing AERA to true up the pre-control period losses, to treat CGF as non-aeronautical revenue etc., in favour of GHIAL. However, TDSAT ruled in favor of AERA on certain other issues, GHIAL has filed caveat petition with the Hon'ble Supreme Court to avoid any ex-perte orders.

During the quarter ended 30 September 2024, AERA had filled an eppeel in the Supreme Court against the TDSAT order. The matter is currently sub judice with the Honoreble Supreme Court of India. No adjustments were made to this financiel results on account of this matter.

5 The Ministry of Civil Aviation (MoCA) had Issued orders in 2014, requiring the Alrport Operators to reverse the expenditure incurred from PSF (SC) Fund towards (a) procurement and maintenance of security systems/equipment; (b) construction of residential quarters for Central industrial Security Force deployed at the Rajiv Gandhi Internetional Airport and other related essets along with interest till data of reversal. The Company had utilisad approximately Rs.142.00 crore towards the aforesaid expenses till March 31, 2018, excluding related maintenance expense, other costs and interest thereon which is presently unascertainable. The Company had utilisad approximately Rs.142.00 crore towards the aforesaid expenses till March 31, 2018, excluding related maintenance expense, other costs and interest thereon which is presently unascertainable. The Company is contrary to the directions issued by MoCA. Management is of the opinion that the utilisation of funds from PSF(SC) escrow account is consistent with the Standard Operating Procedures, guidelines and clarification issued by the MoCA from time to time on the subject of utilization of PSF (SC).

As the above order, in menagement's opinion, is contrary to and inconsistent with SOPs, guidelines and clarification issued by the MoCA from time to time in this regerd, the Compeny had challenged the said order vide a writ petition bafore the Hon'ble High Court of Andhre Pradesh. The Hon'ble High Court, vide its order dated Merch 03, 2014 followed by further clarifications dated April 28, 2014 and December 24, 2014, steyed the MoCA order with an undertaking that, in the event the decision of the writ petition goes against GHIAL it shall restore the PSF (SC) Fund to this extent

The Hon'ble High Court of Talangane vide its order dated June 03, 2024 has allowed the writ petition filed by the Company and has set-aside the order of MoCA.

Based on the internal assessment, the management is of the view that the relevant timelines for filing further appeal by MoCA against the Hon'ble High Court order has expired, as no appeal has been filed by MoCA as on the date. Hence Management believes that there is no ambiguity in utilization of PSF(SC) Fund considering the fevourable judgement by Hon'ble High Court of Telangana. Therefore no adjustments are required to be made in the accompanying financial results for the quarter and nine months ended 31 December 2024.

6 As per the Concession Agreement (CA), the Company is required to pay concession fee to MoCA @ 4% on its gross revanue. As per Article 3.3.2 of CA, "Gross Revenue" is defined to include all pre-tax revenue of the Company with certain specified exclusions.

Management of the Company is of tha view that cartein incomes / credits ansing on adoption of Ind-AS, mark to market gain on valuation of derivative instruments and gain on restatement of long-term borrowings was not in contemplation of parties in December 2004 when this Concession Agreement was signed / entered. Further, these income/credits in statement of profit and loss along with interast income on investment of part proceeds from borrowings earmarked for airport expansion project end adjusted from the value of capital work-in-progress, do not represent actual receipts from business operations, from any external sources and therefore, these incomes/ credits should not be treated as "Ravenue" for calculation of concession fee payable. Accordingly, the Company, basis above and legal opinion obtained in this regard, has provided the concession fee payable to MoCA after adjusting such incomes/credits.
